PROPOSED DEVELOPMENT: LIVING STREETS: DÚN LAOGHAIRE
PC/IC/03/23**

In accordance with Part 8, Article 81 of the Planning and Development Regulations, 2001 (as Amended), Dún Laoghaire-Rathdown County Council gave notice on 2nd November 2023 in the Irish Independent of a proposal to construct as follows:

An upgrade of 1.2 km of George's Street from the junction of De Vesci Terrace on Cumberland Street to the junction by the People's Park including the pedestrianisation of part of George's Street Lower from the junction with Patrick Street to St. Michael's Hospital and a section of Sussex Street and Convent Road. The works also include Marine Road, Library Road, and Clarence Street. Works have also been proposed at Cross Avenue, Tivoli Road, and Clarinda Park in the form of modal filters. As part of this scheme a major upgrade is proposed to Clarinda Park to return it to its historical boundaries. This scheme also involves some additional road safety measures at Glenageary Road Lower and York Road. Sustainable Urban Drainage Systems (SUDS) will be used wherever possible to improve treatment and attenuation of surface water, prior to entering the existing drainage network.
