

- MYRTLE SQUARE**
1. Civic scaled feature bench set against boundary wall of St. Michaels Hospital
 2. Shared surface space to extend Myrtle Square onto George's Street
 3. Proposed location for disabled parking. Loading Bay location on George's Street Lower unaffected. Will revert to Taxi rank (after 6pm)
 4. Proposed location for future possible spill out dining space
 5. Access for delivery trucks with controlled access
 6. Feature canopy set amongst grove of trees to provide shelter and to facilitate events
 7. Flexible public space for everyday use and events (900sq. m)
 8. Island planters with groves of trees and seating around entire perimeter.
 9. Seating and greening to offer cinema goers a pleasant lingering opportunity
 10. 3 tier play unit set amongst trees
- CONVENT LANE**
11. Location for bicycle stands subject to agreement with landowners
 12. Location for calisthenics play zone
 13. Appropriate tree planting along Convent Lane
 14. The location and scale of the planter beds along the base of the Mews buildings are indicative. The final layout is to be clarified in conjunction with the property owners to retain desired access
 15. Introduce bespoke bin storage along Convent Lane as required
 16. Controlled access. Deliveries between 10pm and 10am
 17. Retain existing Parking/Loading arrangement on Convent Road
- DASHED GREY LINE INDICATES EXTENT OF 900sqm EVENT SPACE

PLAN OF MYRTLE SQUARE
SCALE: 1:250 @ A1

- GENERAL NOTES:**
- Existing disabled parking bays to be relocated to George's Street Lower
 - Loading Bay location on George's Street Lower unaffected. Will revert to Taxi rank (after 6pm)
 - Removal of through traffic
 - Two-way from Convent Road to facilitate residents access and home delivery service.
