## PLANNING APPLICATIONS

CARLOW COUNTY COUNCIL: Significant Further Information / Revised Plans. Ballyloo Solar Farm Limited have submitted Significant Further Information / Revised Plans relating to Carlow County Council Planning Reference 25/60137 for a 10 Year Planning Permission for a solar farm and associated works in the townlands of Ballybannon, Ballybar Lower, Ballybar Upper, Ballycarney, Ballyloo, Cloghna, Linkardstown and Park in County Carlow comprising: A solar farm with a total area of circa 57 hectares. The solar farm will consist of solar panels on ground mounted frames, 8 no. single storey electrical inverter/transformer stations, 2 no. single storey spare parts containers, 1 no. Ring Main Unit, 3 no. weather stations, underground electrical ducting and cabling within the development site, private lands and within the L4038, L8185, R448, L3051, L3052 and L3050 public roads to connect solar farm field parcels, security fencing, CCTV, access tracks, 5 no. watercourse/drain deck crossings and 2 no. horizontal directional drill crossings (under M9 motorway and the Dublin - Waterford railway), temporary construction compounds, landscaping and all associated ancillary development and drainage works. Construction and operational access will be via 2 no. existing entrances from the R448 and L1010. Sections of the proposed underground electrical cabling will traverse the solar farms proposed under Carlow County Council References 24/60043 and 24/60205, but will not alter infrastructure proposed under these applications. The operational lifespan of the solar farm will be 40 years and planning permission is requested for this duration. A Natura Impact Statement (NIS) has been prepared and will be submitted to the Planning Authority with the application. The NIS assesses the proposed grid connection for the solar farm project comprising substation and underground cabling to the existing Kellis 220/110kV substation in the townlands of Ballyloo, Linkardstown, Kilballyhue, Graiguepsidodge, Castletown, Moyle Big, Kellistown West & Kellistown East (townlands), County Carlow, which will be subject to a separate 'Strategic Infrastructure Development' (SID) application to An Coimisiún Pleanála. The Significant Further Information / Revised Plans consists of: Revised site layout and landscape plans to provide for increased buffer to River Barrow and increased entrance sightlines in Parcel 1 of the solar farm. Additional Landscape and Visual Impact Assessment photomontages, revised Natura Impact Statement, Environmental Impact Assessment Screening, Biodiversity Management Plan, Site-Specific Flood Risk Assessment, revised Ballybannon Solar Farm Electrical Infrastructure - Construction Methodology and other related technical updates have been prepared for the proposed solar farm. The Significant Further Information / Revised Plans are available for inspection or purchase at a fee not exceeding the reasonable cost of making a copy at the offices of the planning authority during public opening hours of the Planning Department. A submission or observation in relation to the revised plans may be made in writing to the Planning Authority on payment of the prescribed fee within five weeks after receipt of the newspaper and site notices by the Planning Authority (this fee is not applicable to persons who make original observations/submissions).
