Dún Laoghaire Rathdown County Council is now in a position to recommend the taking in charge of the open space, roads, footpaths, public lighting watermains, foul sewer and surface water sewer (as detailed in Drawing Number BC-1854-TIC-01) at:

- **Lands adjoining Prospect House, Prospect Hill, Barclay Court, Blackrock, Co. Dublin**

Dún Laoghaire Rathdown County Council considers that the roads, footpaths and infrastructure is of general public utility and intends to publish a notice in one or more newspapers advising members of the public of the area it is proposing for taken in charge, along with details on where this taking in charge information can be viewed and where objections and representations can be made.

Planning permission for this development was granted under references D20A/0727 & D17A/0506. Construction of the development consisted of 15 no. units in total including 9 no. houses & 6 no. apartments. The development also provides for vehicle access, private car parking and all associated site works.

The Taking in Charge drawing relating to this development (Drawing Number BC-1854-TIC-01) indicates the areas to be taken in charge and the areas to remain private. A copy of this drawing is attached for reference.

Each of the Council's service departments have checked this development and are satisfied for the development to proceed to taking in charge as set out below-

- Water Services (surface water sewer)
- Public Lighting
- Road Maintenance
- Parks Department

Uisce Eireann have also confirmed that the Council can proceed to take this development in charge in relation to the foul sewer and water infrastructure. When the taking in charge is completed, the foul sewer and watermain will be maintained by Uisce Eireann, while the surface water sewer will be maintained by Dún Laoghaire Rathdown County Council. Uisce Eireann have issued a cert of conformance with the self-lay agreement.
