**PROPOSED AMENDMENT NO. 8 TO THE CHERRYWOOD STRATEGIC  
DEVELOPMENT ZONE PLANNING SCHEME IN RELATION TO BUILDING  
HEIGHTS AND DENSITY REVIEW.**

In December 2018 the Minister for Housing, Planning and Local Government issued Urban Development and Building Heights Guidelines for Planning Authorities under Section 28 of the Planning and Development Act (2000), as amended. The Guidelines set out planning criteria for considering increased building heights and include Specific Planning Policy Requirement No. 3, Part 'B' which requires a review of established Strategic Development Zone (SDZ) Planning Schemes in relation to building heights.

Dún Laoghaire-Rathdown County Council as the Development Agency appointed by Government to promote the Cherrywood Strategic Development Zone (SDZ) Planning Scheme made an application to An Bord Pleanála on 1 June 2021 to amend the approved Cherrywood Planning Scheme 2014 (as amended). An Bord Pleanála, as the relevant Competent Authority, determined on 17 February 2022 that the proposed amendment comprising a building height and density review would constitute the making of a material change to the Planning Scheme. Dún Laoghaire-Rathdown County Council as the Planning Authority is hereby proposing to amend the Cherrywood Planning Scheme in accordance with the determination by An Bord Pleanála and Section 169 of the Planning and Development Act, 2000, as amended and are hereby undertaking the required statutory public consultation process.

In compliance with the above, a copy of the proposed amendments, along with the reports to inform screening for Appropriate Assessment and Strategic Environmental Assessment and associated determinations may be inspected at the following locations, for a specific period of 6 weeks from 26th July 2022 to 7th September 2022 inclusive at:
