### **What is the activity referred to in this Privacy Statement?**

A road authority may, in the interests of the safety of road users and of preventing traffic congestion, make bye-laws in accordance with this section 36 of the Roads Traffic Act 1994 (as amended) for the purpose of prohibiting or restricting the parking of mechanically propelled vehicles on all public roads in specified areas or on a specified public road in its functional area.

Dún Laoghaire Rathdown County Council is proposing a change to our Parking Control Bye-Laws. The purpose of this amendment is to simplify how we adjust parking charges.

Currently, altering parking charges involves a process that requires amending the bye-laws themselves, which takes extensive time and resources. The proposed amendment would allow the Council to adjust these charges more efficiently through a Council resolution, meaning changes could be made via a vote by the Elected Members.

The power to set parking charges will continue to rest with the Elected Members; the proposed amendment does not alter the decision maker as regards future parking charges. Furthermore, this proposal does not alter any of the existing parking charges listed in the 2020 Bye-Laws. Its sole aim is to establish a future process for reviewing Parking charges.

The consideration of objections or representations and the making of an order under subsection shall be reserved functions

This Privacy Statement is in respect of the management of representations made during public consultation processes.

### **What is the basis for making the processing of this personal data lawful?**

Processing is necessary for compliance with a legal obligation to which Dún Laoghaire Rathdown County Council is subject in accordance with Article 6 (1)(c) of the GDPR.

Specifically, the lawful basis for this process is based on section 36 of the Roads Traffic Act 1994 (as amended)

### **What types of personal data is required in this process?**

No personal details are required to be provided to submit a representation to the proposed making of the Parking bye-laws.

You **do not have to provide contact details or a name to participate in this process**, but providing a name and email and/or address, will allow the Roads authority to communicate with you for the following purposes.
