

REPORT ON THE DEVELOPMENT PROPOSED FOR TAKING IN CHARGE

Dún Laoghaire Rathdown County Council is now in a position to take in charge the roads, footpaths, public lighting, surface water sewer, foul sewer and watermains at:

Bray Relief Road, Old Connaught, Co, Dublin

Planning permission was granted in 2015 under planning reference: PL06D.244874 (D15A/0112). This development permission consists of a new vehicular access road off the Dublin road, including dedicated pedestrian and cycling routes and a new pedestrian and cycle route off the Dublin Road with ancillary engineering services and all associated landscaping and site development works (which will link into the proposed new road to serve the proposed schools site within the former Bray Golf club Lands, Bray Co Wicklow).

The Taking in Charge drawing relating to this development (Drawing Number DWG. No. BC-1883-RM-TIC-01) indicates the areas to be taken in charge and the areas to remain private. A copy of this drawing is attached for reference.

Each of our service departments have checked this development and are satisfied for the development to proceed to taking in charge as set out below-

- Water Services (Surface Water)
- Public Lighting
- Road Maintenance

Uisce Eireann have also confirmed that the Council can proceed to take this development in charge in relation to the foul sewer and water infrastructure. When the taking in charge is completed, the foul sewer and watermain will be maintained by Irish Water, while the surface water sewer will be maintained by Dún Laoghaire Rathdown County Council.

Dun Laoghaire Rathdown County Council now invite members of the public to make objections or representations in relation to the proposed taking in charge of this development.
