

REPORT ON THE DEVELOPMENT PROPOSED FOR TAKING IN CHARGE

REPORT TO THE DÚN LAOGHAIRE ICC AREA COMMITTEE - 23RD SEPTEMBER 2024

In accordance with the provisions of Section 11 of the Roads Act, 1993 (as amended), Dún Laoghaire-Rathdown County Council hereby gives notice of its intention to consider the making of a declaration that the road, public lighting, watermains, and surface water sewer at Marino Avenue West laneway (Marino Avenue West to Station Road), Killiney, Co, Dublin, be made public.

Marino Avenue West laneway, Killiney, Co, Dublin.

The Marino Avenue West laneway links the residential road Marino Avenue West to Killiney Dart station on Station Road. The route is about 170m in length. Following the taking in charge process, it is intended to improve the existing surface along the route. Works will also be carried out at the junction with Station Road to improve sightlines for pedestrians.

The Taking in Charge drawing relating to this development (Drawing Number RM-TIC-01) indicates the areas to be taken in charge and the areas to remain private. A copy of this drawing is attached for reference.

When the taking in charge is completed, the foul sewer and watermain will be maintained by Irish Water, while the surface water sewer will be maintained by Dún Laoghaire Rathdown County Council.

Dun Laoghaire Rathdown County Council now invite members of the public to make objections or representations in relation to the proposed taking charge of this development.
